PRESS RELEASE

HAPPY BIRTHDAY!

TRIANGLE HAS BEEN AN INDEPENDENT BRAND FOR A YEAR NOW, AND IS PRESENTING A SIGNATURE WASHED WOOL COLLECTION TO MARK THE OCCASION

ROTTENDORF, 17 May 2016

TRIANGLE has been an independent brand for a year now, and to mark the occasion is presenting a small, very fine signature washed wool collection in September. This unique boiled wool material is both light to wear, and yet pleasantly warming when the first cooler days of early autumn are upon us. As a daily companion, it is easy to combine in lots of different ways.

The TRIANGLE Anniversary collection consists of five selected favourite pieces in a feminine minimalism: a casual poncho coat mix that can be worn both indoors and out, a pencil skirt with a decorative slit, a long waistcoat with a lapel collar, and a dress and jumper with a minimum mandarin collar and modern kimono sleeves. The items are all available in a trendy stone grey mélange and a smoky blue. Voluminous, clear cuts and open edges demonstrate the customary relaxed TRIANGLE easiness, which make these washed wool looks the absolute must-haves for the autumn.

The relaxed anniversary styles in sizes 38 to 50 will be available from September. Retail prices range from € 89.99 to € 129.99.
